PROJECTS

BrainSTAX (Rails, React.js/Flux, PostgreSQL)

Live [GitHub](#)

A flashcard study app integrating a custom-built spaced-repetition algorithm.

- DRYs code with concise views, partials, and mixins.
- Implements custom-built spaced-repetition algorithm to customize user experience.
- Optimizes runtime queries to reduce load time.

Coffee Snake (JavaScript, jQuery, CSS)

Live [GitHub](#)

A browser-based classic Snake game with a 21st century twist.

- Maximizes principles of DRY object-oriented design to maintain code cleanliness and readability for future improvements.
- Implements custom-built jQuery.

ActiveRecord Lite (Ruby, SQL)

[GitHub](#)

A flashcard study app integrating a unique spaced-repetition algorithm.

- Place holder information.
- Place holder information.
- Place holder information.

SKILLS

Ruby **Rails** **JavaScript** **jQuery** **React.js** **AJAX**
Flux **SQL** **Git** **HTML5** **CSS** **RSpec** **TDD** **AWS**

EXPERIENCE

Volunteer

ELMHURST HOSPITAL CENTER | QUEENS, NY
BIO-MEDICAL ENGINEERING DEPARTMENT.

2010 - 2011
2012 - 2013

- Repaired hundreds of medical equipment and devices.
- Managed hospital equipment database to facilitate tracking and organization of hospital equipment.

Research-
Assistant

DEPARTMENT OF CHEMISTRY, CSI | STATEN ISLAND, NY

2013 - 2015

- Co-authored 2 peer-reviewed journal articles in renowned chemistry journals.
- Optimized antimicrobial activity of polymers against E. coli and S. Aureus.

Tutor

MACAULAY HONORS COLLEGE, CSI | STATEN ISLAND, NY

2012 - 2013

- Tutored Calculus, Organic Chem., Physics & Chinese to dozens of students.

PUBLICATIONS

- **Effect of Relative Arrangement of Cationic and Lipophilic Moieties on Hemolytic and Antibacterial Activities of PEGylated Polyacrylates.**

2015

International Journal of Molecular Sciences. *Punia A., He E., Lee K., & Yang N.L.*

- **Cationic amphiphilic non-hemolytic polyacrylates with superior antibacterial activity.**

2014

Chemical Communications. *Punia A., He E., Lee K., Banerjee P., & Yang N.L.*

EDUCATION

APP ACADEMY | NEW YORK, NY

2015

- Rigorous full-stack software engineering curriculum with < 3% acceptance rate.
- Emphasis algorithms, TDD, pair-programming, and efficient design.

THE MACAULAY HONORS COLLEGE | NEW YORK, NY

2011 - 2015
2015

- Bachelors of Science [B.S.] in Chemistry & Biochemistry | Minor: Chinese
- *Course Highlights:* Calculus (I, II, & III), Analytical Chemistry, Thermodynamics, Polymer Engineering, Quantum Mechanics, Probability & Statistics,
- *GPA:* 3.87

Awards

Department of Bio-Chemistry Distinguished Student Award recipient
Department of Chemistry Distinguished Student Award recipient
STEAM Scholarship recipient
